***Get the Latest Information on
Telephone, Natural Gas, and
Electric Utilities.***

DATE: Thursday, October 9, 2008

TIME: 6:00 p.m.

PLACE: Bay de Noc Community College
Joseph Heirman University Center
Conference Room 952
Escanaba, Michigan

At this public meeting, a Commissioner from the Michigan Public Service Commission will provide the latest information on electric and natural gas rates for the winter and the current status of local and long distance telephone service. There will also be time for customers to ask questions and discuss concerns related to natural gas, electric, and telephone services and billing problems. (Bring copies of your bills.)
